We Recently Saw The Magnificent Seven and Miss Peregrine's Home for Peculiar Children. @ the Movies, these were Good, although we expected that the latter would be a kind of 'Harry Potter'

Our last SF Club meeting was kind of a Bummer! with only 7 of us there (even our Roommate, Mike, didn't make it) and several

other folks were missing -- no one wanted to go out and eat together as we often do after the meeting so Charlie and I just called it a night, Eardg, and came on home. See y'all soon! Patsy OVER
