N3F Round Robin

When you receive this, read the enclosed letters, remove your previous letter, write a new one, and put it behind the others. Contributions should be no more than two sheets of paper, typed or legibly handwritten. Make all address changes on this sheet.

Let your RM know when you mail this RR. A postcard or note is greatly appreciated. It is helpful if you also keep a record of when you mail RR's to the next person in case your RM needs to find it.

Please send this packet on to the next person on the route in 10 days at the most. If you are too busy to contribute in this time period, just send it on with only a note of explanation. If you have this RR "resting" at your place, due to life's little twists and turns, please don't be embarrassed! Just let your RM know, so she/he will not re-start it, thinking it is lost. That causes great confusion and costly double packets of letters. Placing enough postage on the RR's is also very important. Some Post Offices will not deliver mail that does not have enough postage. To be safe, if a RR has 5 pages or more, you should use a ~~44~~ cent stamp and a ~~35~~ cent stamp (at least until the postage goes up).

Thanks for your help in keeping the RR's rounding fast and fun!!

HARRY POTTER
AND THE ORDER OF THE
PHOENIX™ IN CONCERT
May 23 to 26

Well, it's been a year since I heard from this RR isn't it time y'all got it together and let me know what's going on? as you can tell by the new address up top; We've moved! We're now in Madison a bit further East and North of East Nashville... although not quite as far as Lebanon, TN. where Dan + Fran moved too last year. Anita + Tom have moved also... into one of those Patient Residences... a couple of these I've worked at... as a CNA... we don't see that much of them anymore... maybe they can't have guests there? at any rate; they've never invited us over to see their new place... and Anita + Tom had invited us to their house a lot previously... a great looking house it was too! But awhile back they got attacked/robbed just outside their front door, I guess they didn't want to stay?

I think I mentioned to you that our roommate and close friend: Mike Harper, died in July of 2017... and since then Lynne Gehies and Nan have died also... and Uncle Timmy, long time Chair-man of Chattanooga and LibertyCon died recently and rather suddenly! (I always thought he was more of an 'uncle' to me than my biological uncles ever were!) Sorry to see him go! ☹️
We don't get too very many cons anymore? only Hypericon and OutsideCon for sometime now...

although OutsideCon is always a Good Relaxi
Con where all your best friends Show up!
Last years' seemed To Go by very fast... and
Mike was not with us of course... and we
three had gotten To be Family... and I Missed
him Terribly! I've been Reading HARRY
POTTER AND PHILOSOPHY, which is very Good!
it's Edited by David Baggett and STANLEY K. Klein
it doesn't mention writers... it's kind of a
Description of what it would be like if
ARISTOTLE Ran HOGWARTS. I have also been
Reading a Few STAR TREK Paperbacks, and
many, many of ERIN HUNTER'S WONDERFUL
WARRIORS Series Clan Cat books... I Suggest
that one began with INTO THE WILD, if you want
to Read These Captivating Cat Characters... and
their Feline Tales... Just as Good as JAMES
MCARTHUR, OR PAUL GALLICO'S THE ABANDONED and
THE THREE LIVES OF TOMISINA (which became a
Disney Movie...)

Well, not too much more To Say...
I hope the Robin can get going with a bit
More energy This Time...

BEST

Patsy
